645—299.6(21) Public meetings. Members of the public may be present during board meetings unless the board votes to hold a closed session. Dates and location of board meetings may be obtained from the board's Web site (<http://www.idph.state.ia.us/licensure>) or directly from the board office.

299.6(1) At every regularly scheduled board meeting, time will be designated for public comment. During the public comment period, any person may speak for up to two minutes. For those persons conducting hearing tests under the direct supervision of a licensed physician and surgeon or licensed osteopathic physician and surgeon and functioning under Iowa Code section 147.152(1), "direct supervision" means the physician must order the hearing test performed on each individual patient and maintain control over the reading of the results. The person working under direct supervision of a physician must be able to show that the person did so at the direction of the physician and did nothing more than perform the hearing test. Direct supervision by a physician means the person conducting the hearing test does so in the usual location in which the physician performs medical services and sees patients. The physician must be readily available to respond to a request by a patient or the person conducting the hearing test.

These rules are intended to implement Iowa Code chapters 17A, 21, 147, and 272C.
